The Popular Game, "Diabolo."

ME have just received a new shipment of the popular French game of "Diabolo," which has been all the rage this year in Paris, being played by old and young alike. The game, which is as simple as it is interesting,

is only a sporting revival of the "Devil on Two Sticks" game, the origin of which is exceedingly ancient. It is one of the most interesting games ever put on the market. The practice of "Diabolo" is of itself an extremely attractive sport and one that develops the strength and muscles. Prices are 50c, 65c, \$1.00, \$1.50, and \$2.00.

With Celluloid Diabolo and two pairs of rods, \$3.50,

## Picture Framing for the Holidays.

W E would suggest to those who contemplate having pictures framed for Xmas that it would be best to bring them in now and avoid the rush that we always have two weeks before Christmas. We are better prepared to cater to your wants this year than ever before, as we have installed in our Picture Frame Manufacturing Department the newest patented machinery for the quick and accurate framing of pictures, and we guarantee perfect satisfaction.

We show about eight hundred styles of moldings for making frames to order, and, in addition, we carry a large variety of ready-made frames in all colors, sizes, and styles.

Prof. and Mrs. Brander Matthews and

.The Mexican Ambassador and Mme. the embassy, complimentary to the visit-During his stay at the great toy fair held at Leipzig this year our personal representative met the most celebrated toy manufacturers of the day. He not only bought freely of all the splendid exhibits, but he also ordered a number of unique toys made especially for our children patrons, and these cannot be duplicated. Here are games of every description, dolls of every nationality, and toys and toys, the most interesting, instructive, and wonderful that ever came to toyland.

Special attention is called to

Our W. & L. Dollar Doll

Which was made especially for us in Germany. It is not the largest doll we could get to sell for this popular price, but it is absolutely the best value obtainable in this country. It measures 22 inches in height, is full ball-jointed, has the finest quality bisque head, sewed wig of fine hair, moving eyes, exposed teeth, and the face is very beautiful and lifelike.

You are requested to examine this doll carefully.

The following are exceptionally good values:

The Secretary of Commerce and Labor in the largest of the Central American Peace Conference. The guests included:

Mr. John W. Foster, ex-Secretary of State; Mr. William I. Buchana. United States; Personaltaive to the conference; Senor Linis and the conference; Senor Linis and clegaments of Costa Ries and Conference; Senor Linis Beater Penipotentiary of Nicaragna and delegate to the conference; Senor Januari Penipotentiary of Salvador and delegate to the conference; Senor Januari Alexandra and secretary of Salvador and delegate to the conference; Senor Januari Penipotentiary of Salvador and delegate to the conference; Senor Salvador Rodriguez, delegate of Salvador of Salvador and delegate to the conference; Senor Salvador Rodriguez, delegate of Salvador o ing delegates of the Central American

## ARMY RIDES LONGER

Miss Frances Dodge was presented to Ninety Miles in Three Days,

All But Those in Coast Artillery Must Make Long Horseback March on Their Physical Fitness - Mr. Roosevelt's Letter to Secretary.

a more stringent horsemanship test be required of all army officers, and a general order was issued by the War Department yesterday to carry his ideas into

The new test requires that all field officers, except those of the coast artilof thirty miles for three successive days. The order is the most radical yet issued in regard to the horsemanship tests, and will cause considerable comment among army officers.

The former test ride was fifteen milesordered before retiring boards.

President Roosevelt's Order. The President's letter accompanying the order, is as follows:

The White House, Washington, Dec. 2.

To the Secretary of War:

I desire due notice given to all officers concerned
that hereafter suitable physical tests to determine
their fitness for active operations will annually be
made of all field officers of the army under such
regulations. regulations as you may prescribe. A sufficient in her of the practice marches of cavalry, occurring the fall of each year, might be taken advantage to test the ability of all field officers, except the of the seacoast artillery, to make a daily march not less than thirty miles, for three days in succession, under conditions suitable to sion, under conditions suitable to the making of lored marches in active field operations. Tests suitable to the character of service required of them should also be prescribed for field officers of the sea-
